TRADE FAIR NEWS...STOP PRESS

Over the coming weeks, all key manufacturers will announce the new bike models which they will be producing over the next year or so. As soon as we receive information, we will send it to you - keeping you totally up to date on all the latest news. The first set of announcements we have are from Minichamps. All new items are listed below.

IMPORTANT NOTICE TO ALL TRAX RESERVE CUSTOMERS

The TRAX Price Freeze Offer has now finished. The good news is any bike replicas and figurines which you may have Reserve Ordered at the Price Freeze Special Prices will be honoured. At TRAX, the price you Reserve Order models at will be the price you pay when the models are released. Compared to the new 2008 RRP prices, this means savings of up to £10.00 per bike!

For your information - TRAX has had to increase all Minichamps bike replicas prices in line with the new 2008 RRP prices. This means that a Rossi 1/12 bike is now £49.99, the Rossi Figurines are £26.99 each, the Classic Rossi Aprilia range are now £69.99 each and the Classic Minichamps bike range are £64.99 each. All Moto GP and WSBK bike replicas are now £44.99 each.

All new announcements will be pictured in our updated 2008 bike replica brochure, which we are working on at the moment - if you would like to reserve a copy, please contact us and we will place you on our special mailing list.
