For the very first time, TRAX can now offer you the chance to collect every Le Mans Winner from 1923 in 1/43 scale manufactured to an excellent quality and at an affordable price.

***We have devised two different ordering options, exclusive to TRAX Customers.***

### ORDER OPTIONS

Overleaf, you will see that we have designed a Guide detailing all product codes and descriptions, providing a clear, visual reference. There is also a separate order form to highlight both order options which are available.

#### *Option One*

You can order outstanding 'gaps' within your existing collection. TRAX will set up a Reserve Order Account and despatch the required models to you as they are released.

To order, please complete the enclosed tick box listing together with the OPTION ONE order form. Once we have received your order, we will set up your Reserve Account. Please note that each model is priced at **£24.99** plus Postage and Packaging costs. We anticipate that the collection will be manufactured at specific intervals over the next 2 years - therefore prices may be subject to change over this period. TRAX will of course inform you of any price increases.

#### *Option Two*

To order the entire collection TRAX will set up a Le Mans Winner Collection Standing Order. Two models will be sent to you at the beginning of each month, thus spreading the cost of the collection over at least 35 months - dependant on release dates.

Each model is priced at **£24.99**. TRAX will also honour this price for the duration of the standing order, we will absorb any additional price increases.

To place your standing order - please complete and return the OPTION TWO order form overleaf. Once we have received your order, your Standing Order will be set up and confirmation documentation will be posted to you.
